On Sunday, September 13, 2009, the New England Province held its annual Mass and Reception honoring those Jesuits celebrating Jubilees of entrance into the Society of Jesus or ordination to priesthood. Over 300 friends and family members from near and far

attended the event held at Boston College High School. Twenty of this year's Jubilarians were able to be present for the occasion, representing 1,160 years of combined service to the Church. Three of the 47 had gone home to God earlier in the year.

Fr. Charles Allen, SJ, preached the homily.
