

Kate Morency honored with 2009 Medallion Award for Leaders of Distinction

Kate Morency was honored with a 2009 Medallion Award for Leaders of Distinction by her alma mater, The Academy of Notre Dame in Tyngsboro, MA on April 4, 2009. Criteria for selection included a commitment to community service, support for educational advancement, and demonstration of personal leadership traits that serve as strong role models for today's youth.

The Academy of Notre Dame was the early building block for Kate's devotion to helping others, followed by her later education at Georgetown University and the University of Lowell, now the University of Massachusetts Lowell. Her demonstration of the faith, values and commitment she learned at the Academy in her career, family, church and community have led to her selection in the Science and Health Care category. Kate has served as a CCD instructor, leader of a youth group to Mississippi for Hurricane Katrina relief, Cursillo retreat and parish ministry. The New England Province of Jesuits values her in her position as healthcare coordinator for the province and a member of the board of trustees at Campion Center.
